All of our morticed gates are made from the highest quality joinery grade timber, kiln-dried, planed & 'Tanalised' treated. They have mortice & tenon joints with metal pins to give extra support.

All sizes below are examples, we can make gates to virtually any size (up to a maximum of 6' wide), please ask for a price.

Morticed Interlock

Our best selling gate.

These are made from 4"x3" (ex100x75mm) framework & 3"x1½" (ex75x38mm) vertical interlocking pales.
